

HYDRO-FORCE™ PRO 4000

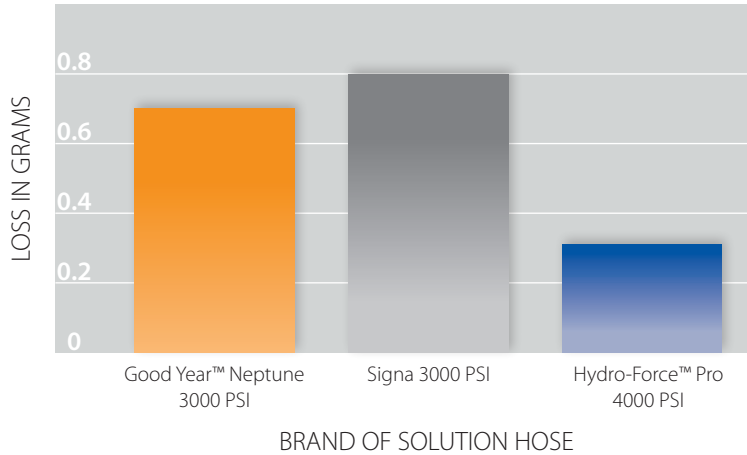

Super Tough Steel Braid Solution Hose rated at 4,000 PSI and 250 F

PAY LESS – GET MORE!!

Proven in Engineering Tests to be the strongest and longest lasting hose in its price class!

#AH170 Hydro-Force Pro 25' #AH172 Hydro-Force Pro 100'
#AH176 Hydro-Force Pro 50' #AH174 Hydro-Force Pro 150'

MORE DURABLE

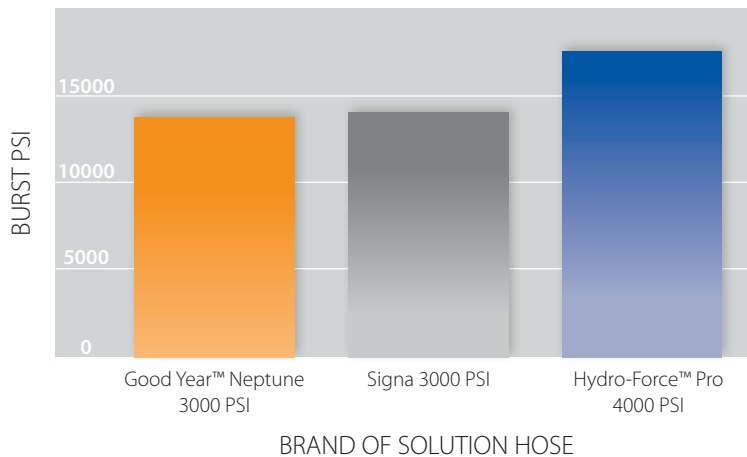

Competitive hoses lose more than 2x as much material as the Hydro-Force Pro when tested using ISO standards.

Hose Type	Loss of Material
Hydro-Force™ Pro 4000 PSI	0.3 grams
Good Year™ Neptune 3000 PSI	0.7 grams
Signa 3000 PSI	0.8 grams

Abrasion Test Specification: ISO 6945. Test Requirements: Loss of mass measured after 2,000 cycles with a vertical force of 50 N.

HIGHER BURST RATING

Have confidence in your hose with the highest PSI ratings in its class.

Hose Type	Burst PSI
Hydro-Force™ Pro 4000 PSI	17,000 PSI
Good Year™ Neptune 3000 PSI	14,000 PSI
Signa 3000 PSI	14,200 PSI

Burst Test Specification: SAE J343.
