

FLASH SPOTTER

BY WaterCLAW

SPOTTING EXTRACTION TOOL

NEW

AC004

The FlashSpotter is ideal for dealing with pet urine, large liquid spills, soap residues, food spills and more. It allows for sub-surface extraction from the carpet pad up, which allows you to use greater quantities of your favorite spotter or pet odor solution. It allows you to take complete advantage of powder oxidizing pet odor and stain treatments.

- **No moving parts**
- **No need for a vacuum relief valve**
- **Easily disassembled for cleaning**
- **Laboratory tests demonstrate that it removes and extracts more water**
- **More durable design**
- **Can be used with a truck mount or portable extractor, as well as spotting mini-extractors.**
