

BRIDGEPOINT SYSTEMS

Filter Free

Water Based D-limonene Emulsion

Filter Free

A water-based emulsion designed to remove filtration soil along walls and doorways. Apply full strength, agitate, and rinse. It also does incredibly well at removing oil and grease spots. On top of it all, Filter Free smells good and is in compliance with California VOC limits!

Part Number:
CS27QT

RTU pH
9.9

Dilution Ratio:
RTU

Contents:
One U.S. Quart (.94 Litres)

Available in:
Quarts and 12 x 1 quart cases

DIRECTIONS

1. Shake thoroughly before use.
2. Test all fibers for color fastness and safety before application.
3. Open flip top lid and apply along filter line or directly on spot. Agitate with a brush or bone scraper and let dwell for 5 minutes. Rinse thoroughly. Repeat procedure as necessary.
