- A HOT, ultra concentrated, Citrus Solv enhanced, high alkaline prespray for carpets needing an extreme cleaning.
- Starts to work on contact and dissolves grease and oils in minutes and is the ideal choice for any restorative cleaning job.
- Economical by costing only pennies per diluted gallon.
- Dissolves faster than any other powder you have ever used without vigorous shaking. It is suitable for use in the Hydro-Force sprayer and easier to dissolve at that strength.
- Uses the cleaning strength of Citrus Solv and leaves the fresh natural orange scent behind.
- Less foamy than typical high pH presprays.
