upholstery and all 5th generation fibers.

This product is sold by weight and not volume.  
During shipping and handling, some settling may occur.

Contents: 5.5 pounds (2.49 Kilograms)

BRIDGEPOINT®  
SYSTEMS

- X Residential
- ✓ Commercial
- ✓ Upholstery
- ✓ Restoration
- 8.0 - 8.5 RTU pH

X = Primary Use ✓ = Secondary Use

- 5th GENERATION APPROVED: Fiber Plus is the preferred product to use as a rinse/cleaning agent before application of carpet and fabric protectors. With a pH near neutral, Fiber Plus works to control problems associated with bleeding, browning and yellowing.
- VERSATILE: Cleaning of wool berbers, area rugs, upholstery, or even greasy restaurants is accomplished with Fiber Plus.
- CONCENTRATED: Only the finest, 100% active ingredients are used in Fiber Plus. A small amount makes a highly effective cleaner. Saves money. Safe for all equipment. Anti-corrosion and buildup chemicals are included to give the best performance that money can buy.
- ECONOMICAL: This container makes over 480 gallons of ready-to-use solution.

**DIRECTIONS:** To be used as the primary cleaning agent or as a rinse/cleaning aid, in the extraction process for carpets and upholstery.

For truck mount concentrate: Add 6 scoops (scoop = 2 oz) Fiber Plus to five gallons of cold or warm water. Mix thoroughly until dissolved. For systems metered on low settings or for excessively soiled carpets 3 cups may be used.

For special case, hard-to-remove and heavy soil, add 12 scoops (scoop = 2 oz.) to five gallons of water. For extra heavy soil use 2 ounces per five gallons of hot water.

For portable equipment: Use half a scoop (1 oz.) Fiber Plus per 5 gallons hot water. Mix thoroughly until dissolved. For special case, hard-to-remove and heavy soil, use 1 scoop per five gallons of hot water.

**IMPORTANT NOTICE TO PURCHASER:** Seller's and manufacturer's liability for any and all losses or damages resulting from any cause whatsoever shall in no event exceed the purchase price of this product, with respect to which losses or damages are claimed. Before using, the user shall determine the suitability of this product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.
