

NEUTRALIZING EXTRACTION RINSE

Neutralizing Extraction Rinse is a concentrated neutralizing agent used in the final extraction and rinse of the extraction cleaning process for carpet and upholstery.

Contents: 1 US Gallon (3.79 Litres)

The Neutralizing Extraction Rinse contains a unique cleaning ingredients that makes it more effective at soil removal than conventional neutralizing rinses. It is safe and effective for all synthetic as well as all water safe natural fibers. Neutralizing Extraction Rinse works effectively with any type of extraction equipment – truck mounted, portable, or walk behind.

- Contains added ingredients for added cleaning power as compared to conventional acid rinses.
- Stabilizes color, prevents browning and yellowing, and pH neutralizes residues.
- Leaves a soft, luxurious fresh feeling to the carpet fiber.
- Rinses out soil and residue, and limits re-soiling.

DIRECTIONS:

Neutralizing Extraction Rinse works best when used in conjunction with Alkaline Pre-spray or High Alkaline Pre-spray. Neutralizing Extraction Rinse can be safely used on all synthetic fibers, and all wet cleanable natural fabrics.

When used with a portable extraction machine:

Dilute 4 ounces of Neutralizing Extraction Rinse with five gallons of water in portable tank for heavy soiling. Dilute 2 ounces of Neutralizing Extraction Rinse with five gallons in portable tank for maintenance cleaning.

Cuando se usa con una máquina de extracción portátil: diluya 4 onzas de Enjuague neutralizante de extracción con cinco galones de agua en un tanque portátil para suciedad intensa. Diluya 2 onzas de Enjuague neutralizante de extracción con cinco galones de agua en un tanque portátil para limpieza de mantenimiento.

Si se usa en un extractor de operación a pie, mezcle dos onzas de Enjuague neutralizante de extracción con una por cada galón de agua.

Las alfombras generalmente se secan durante la noche. El uso de ventiladores acelerará el secado.

INGREDIENT DISCLOSURE:

Water, Citric Acid, Glycolic Acid, Sodium Polyphosphates, Sodium Caprylyl Sulfonate, Benzotriazol-1-ide, Isopropanol, Sodium Sulfate, Methoxyacetic Acid, Formic Acid. Contains fragrance allergen(s).

WARNING

Keep out of reach of children.

HAZARD STATEMENTS:
Causes serious eye irritation.
