

>>> RESPIRATORY PROTECTION

SURVIVAIR® OPTI-FIT™

AIR PURIFYING RESPIRATOR

Optimum fit, comfort and optics.

The Survivair Opti-Fit APR offers the ultimate in performance and affordability. With features usually reserved for more expensive respirators, the Survivair Opti-Fit can help you get the most out of your respiratory protection budget.

The Survivair Opti-Fit is a lightweight design constructed to reduce head and neck stress and is also available in three sizes to fit almost any face type. The exclusive Opti-Fit features are also available in a mask mount PAPR, belt mount PAPR and front port CF-SAR.

Benefits

- Choose from a 5 point strap or industrial mesh headnet to fit your comfort and needs.
- Silicone skirt offers exceptional durability and comfort.
- All straps are attached to the rim of the facepiece, rather than the silicone skirt, to reduce pressure points and distortion of the sealing surface when tightened.
- Nose cup prevents fogging with optional kits for customized sizing (comes standard with medium nose cup) and optional clear nose cup kits available.
- Replaceable, high impact resistant polycarbonate lens treated with anti-scratch coating.
- Mask designed with a wide viewing area offering distortion free visibility and optical clarity.
- Molded in speaking diaphragm provides improved audio transmission for communication.
