

NEW!

Foster® Full Defense™ 40-25™ Shields against mold and mildew!

- The product of choice for residential, commercial and industrial mold remediation projects
- Kills residual mold and mildew
- Fully protects interior substrates from mold remaining after pre-cleaning contaminated surfaces
- EPA Registered, low odor, quick setting, water-based coating
- Covers up to 300 ft. per gallon
- Inhibits the re-growth and spread of odor causing bacteria, mold and mildew and provides long-term fungicidal activity
- Easy application by airless spray or brush
- 10-year warranty
